Enriching lives through theatrical appreciation for more than three decades!

Dear Theatre Friend,

It's a labor of love keeping the arts alive and well in Marshall County, but there are costs involved. Without the generous support of our contributors, none of this would be possible. Our beloved Dixie building, for example, a place of so many wonderful memories for so many people of all ages, requires quite a lot of money for routine expenses such as utilities, insurance, taxes, and general maintenance.

**Your financial support is greatly appreciated and, because
MCCT is a 501c3 organization, your contribution is tax deductible.**

To show our appreciation, each contributor's name appears on the back of each production's program, showing the community that YOU support us and believe in what we are doing! Donations of any size are gratefully accepted, but we would like to recommend:
